**Sub:** Regarding outing for students who are registered for Eve sparX stalls;

Respected Sir,

On the occasion of SDCAC's 9th anniversary, we're planning to conduct an Eve-SparX event. And also planning for gaming stalls. Some students have formed into teams and voluntarily came for the bidding. We have officially taken all the signatures and undertaking forms from the teams. We are requesting permission to bring the necessary things for the stalls from outside stores.

Kindly requesting the permission for the below mentioned Id numbers.

Thank you !

**Yours obediently,**

**Team SDCAC**
